

North Island Choral Society

Spring Concert 2019

For all the members of the NICS choir – here are all the YouTube, Cyberbass and Choralia internet links for the pieces that we will be rehearsing this season. It should be self-evident how to call each piece up – just click on the coloured writing to view the relevant web page. Links to three different YouTube videos for each work are featured. Enjoy! Researched by Colin Boyd.

Brahms - Ein Deutsches Requiem 1869

1. Danmarks Radio - SymfoniOrkestret - KoncertKoret

<https://www.youtube.com/watch?v=dJelOS-fjrY>

This is the full-meal deal, with a huge orchestra and chorus.

2. Schweizer Jugendchor with CHAARTS

<https://www.youtube.com/watch?v=wqwCYUbS2Y4>

This is a youth choir in Zurich with an orchestra about the size of ours. I suspect that the baritone does not appear, as the notes say that he did not want to be filmed!

3. Danderyds Vokalensemble

https://www.youtube.com/watch?v=Lh7xf_QsJO4

This is a chamber ensemble version, a bit less raucous, and maybe easier on the ear as a result.

J. S. Bach Kantate BWV 147

1. Arnold Schoenberg Choir Concentus Musicus Wien

<https://www.youtube.com/watch?v=38TS7EOGo9A>

This is the full-meal deal again, this time with a mad conductor, Nikolaus Harnoncourt.

2. The Amsterdam Baroque Orchestra & Choir

https://www.youtube.com/watch?v=9vsaDIs_1-I

There are not many other full video recordings of this cantata. This one and the one below are in the baroque style

3. Koopman

<https://www.youtube.com/watch?v=iVWfE3pgilE>

No other details about this choir and orchestra. The opening trumpet suggests older baroque instruments.
